I have been yearbook advisor here at Millbury Memorial High School for the past sixteen years. As I take my leave from this position I would like to take this opportunity to thank my many supporters as well as my critics for their valuable input into the hard fought evolution of this yearbook.

I would also like to thank the countless numbers of seniors & underclassmen who over the years gave of their time and talents toward the continued progress of this book.

This year's edition of the Millbury High School Yearbook "Aftermath" is perhaps the first edition in over a quarter of a century to be delivered to Seniors and underclassmen during the current school year.

This change along with the introduction of a section devoted to underclassmen, and a color current events section represents three milestones in yearbook productions here at M. H. S.

Over the years to come I am confident that those who follow me will continue to upgrade and take pride in the production of this publication, which like so many other good memories, will last a lifetime. Thanks again, and good luck!

Special Thanks To Our Class Advisors

The Class of 1999 considers itself extremely fortunate to have both Mrs. Pamela Graves and Mr. Gerald Boudreau for it's class advisors. Mrs. Graves and Mr. Boudreau have put in hundreds of extra hours overlooking our activities planing our events and generally helping us along.

Over these past four years we have become the solid stick-together class that we feel we are, due to the efforts of these two fine educators. The Class of 1999 wishes to thank our advisors for a job well done.

"It's nice to be a role model for the younger kids, it's rewarding to teach them ."

Abe's loved by everyone and will amount to something? Someday we'll all be working underhim. Gina has great goals for herself and will probably build herself a great nursing business right here in Millbury.

Since their last picture they 've both gained an extra 50 pounds and are upholding their title of most all around. Danielle and Joe are both still active as class officers and in school events.

Even though nuclear physics does not baffle Bruce and Jess, they were still voted most naive by all of you; but yet they still can't decide who's dumber than who.

Blane is a very popular guy with the ladies, or at least tries to be. Even though she doesn't like all the attention, Michelle has succeeded in having every guy in Milbury wrapped around her little finger.

Eryca is always sporting the highest style of fasion and her job at Claire's only adds to her style; while John does wonderful advertisement for Abercombie.

Keith's hair color changes with the week, but we are all proud of how far he has changed for the best. Kristin - we all wish you & Jeremy the best of luck.

I am very honored to have been voted class brain. It meant a lot to me, since it shows how even someone who does not know what tan[cos(3.14/2)] equals can be considered a brain.

The Junior Prom was held at the Crowne Plaza in Worcester on May 8 1998. The room was beautiful and the food was excellent. It will be a night to remember for everyone (and that has nothing to do with the fact that we had no music for 1/2 an hour). The wait staff at the Crowne Plaza choose the Prom Court.

These past four years have been the most interesting years of our lives. We've all had some pretty hectic times but we've stuck together and made it through. We've had our differences and fought a lot but we're still together.

We will always remember Eryca with her "claws" and many ear piercings. Maura with the attitude who always gets herself in trouble with her mouth. Tom, the best guy in the world always there when we needed him. Christina, who in Mr. Leonard's class stood on the scale holding her shoes, that says it all. Kristin, whatever happened to all the Maple Towns?

The following is a brief description of the seniors in the picture to the right. First is Mike Evanowski. He's very intelligent and a great friend. Next there is Mike Markey. Mike is a very "cool boy." He works at Goretti's and has a number of female friends. Jay Huchowski who is also employed at Goretti's definitely has the largest heart in the group. Gary DeAdder is a member of the class of 1997. The remaining male pictured is Ashok Abraham. Ashok also works at Goretti's. Ashok is our choice for the most likely to become a success.

Now for the ladies. Jenn Parslow is also a member of the class of 1997. Gina Ragaini, another Goretti's employee, has a great personality who has alot of friends. Alison Mason is our "Drama Queen". Besides being talented she is also very compassionate. Our most unique award goes to Vanessa Bradway. The most kind-hearted person in our group is Nina Campolito.

Being in this group was definitely an experience. Working toward deadlines, interviewing students, and formatting our entire high school experience into under two hundred pages of text and pictures, gave us all a little dose of reality. We learned how difficult it is to please a group of almost five hundred critics who are all expecting something different to show up in each new Yearbook addition. Mostly, though, we grew closer to each other and our class. Hopefully next year's group will have as much fun as we did !

My fondest memories of high school are waking up at 5:30 in the morning "just to come to school." And hanging out with my friends. The thing I'm going to miss most about school is Mr. grady's classes. He always knows how to make them interesting. And I will never forget everything my teachers have done for me. I will also never forget driving down the hallway (for everyone who knows me).

FALL SPORTS

The Millbury Football Cheerleaders displayed an amazing season with a lot of dedication and radiating spirit. This past summer, the girls attended camp at Babson college where they won the Best Arm Motions Award. Also during the season, the squad worked very hard to achieve their goals of improving stunts, jumps, cheers, and chants. The team had a lot of respect for each other and became not only teammates, but also friends. The team had some rough times, but the good times definitely out-weighed the bad. Coach Julie Jones was a great inspriation and a wonderful coach. Unfortunately, she will not be able to coach during basketball season. We will miss her greatly.

Football cheerleading this year was a great success with a lot of joyful memories. We hope to improve our skills and bring MHS an exciting Basketball season!

...Kimb Green Captain

"I have learned a lot this year from cheerleading. It was hard, fun and sometimes confusing. But I would have never been able to do it without the nicest captain in the world. Thanks guys, I will miss your all so much".
...Erin O'Donnell

"I have been cheering for two years. I remember the competition when we won second place at David Prouty, and the overall closeness of the team after that win".
...Michelle Piazza

"I have been a cheerleader for just about 3yrs. The thing I remember most about cheerleading is going to camp during the summer."
...Nina Campolito

CHEERLEADERS

"I have been cheering for six years." My fondest memories include: coming up to varsity, the wild weather conditions, and the thrill of winning on that level."

...Leeanne Chatsawat

"Cheering was so much fun. It definately was worth all the time and effort I put into it. Once I leave, I am going to miss everbody. They were all so sweet. Capt. Kirk. really made it interesting."

... Kim Anthony Senior

"What I remember the most was sitting in the audience during athletic awards night and having coach Jones come over to me and she told me I was going to be captain of our cheeleading squad."

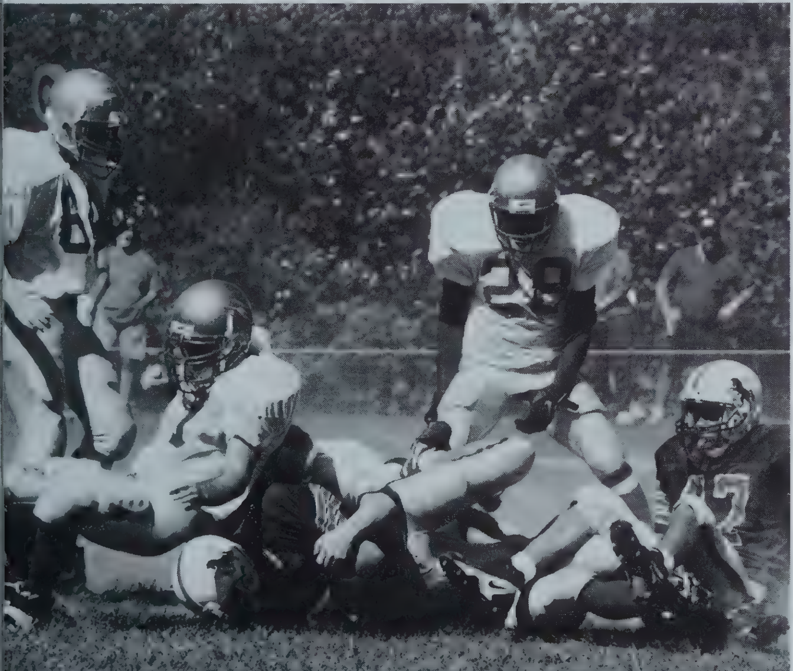
The 1998 Season

Although this year's record was not a winning one, many of our players showed a great deal of pride and dignity. We were in a lot of close games, and always fought hard until the end. I would like to thank all of the seniors for their commitment to Millbury - Sutton football over the years and wish them the best of luck.

...Coach Palazzi



"This year, the ball always seemed to bounce the wrong way, but we never gave up. We as seniors, will remember that forever! Good luck to next year's team and coaches".

... Mike Vigneau

The players worked extremely hard in their off-season conditioning program, and gave everything they had in the games. Although the results were not proportionate to the player's effort, these young men should never forget that hard work does pay off. Hold your heads up high.

Due to working hard, giving it all, rough practices (yea... right!) and a new coach, this year's Millbury Girls Varsity Soccer team had a somewhat more successful season as opposed to years of being severly defeated with a record of 4 - 13 - 1, The girls, with captains Senior Sarah Nason, & Juniors Jenna Pojani & Jessica Plante, had a good, fun year. Coach Andy Burnette helped them along through the season.

The team had some close calls on games, even having some games with just "a goal for pride." They've become stronger and are really looking forward to another fun, more successful season in "99". Sarah Nason, who came in fifth overall for points in Millbury's Girl's since 1985, will seriously be missed by the whole team. It was a great season, and we're ready for all the future ones to come.

BOYS SOCCER

The 1998 Millbury High Boys Soccer Team

The 1998 Boys Varsity Soccer season had many high points resulting in a 9 - 6 - 3 record and a division 3 district play-off berth. Considering the fact that our 1998 schedule consisted of 12 out of 18 games against division 1 and division 2 opponents added to that success. Particularly noteworthy was a victory over Massachusetts Division II State Champion David Prouty.

With the senior leadership of Mike Markey, Tim Ryan, and Bruce Huson, the team was a well-rounded blend of skill, strength, and speed. With 19 underclassmen on the final squad, the upcoming 1999 season is promising to raise our level of respect in the Southern Worcester County League.

...Stan Teman Head Coach

It was the best of times, it was the worst of times, it was the third time making the districts, it was the third time not making it past the second round; Despite the failures of the past, next year WILL BE the year that my woollies & I make it past the second round of the districts.

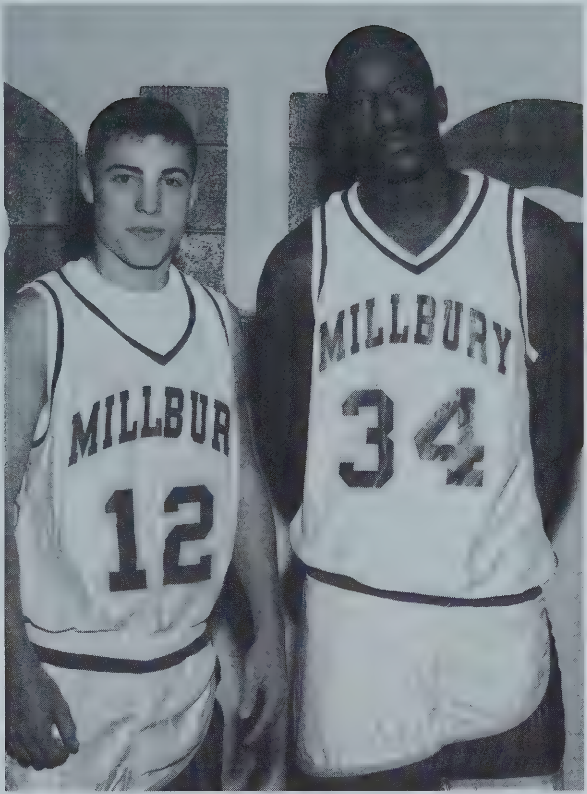
BOYS BASKETBALL



BASKETBALL

"I can't decide between Soccer and Basketball as my favorite sport, however my biggest day in ether sport was in 7th & 8th grade Basketball when I scored 32 points against ."

...Brian Ginisi

This past season the Boys Varsity basketball Team finished the season at 5 - 12. The team played hard all year and I truly enjoyed working with this group of kids. Although the team did not make the districts or the Clark Tourney there were several high points for the team. The boys won away games at Tantasqua, Auburn, and David Prouty and also had several exciting finishes such as the overtime victory at Auburn.

Matt Toedt hit both ends of a one and one to seal the victory for Millbury. The next time Millbury played Auburn, Paul Spang hit two key free throws with fifteen seconds to sweep the Rockets for the season. Millbury also played tough in several other games, taking Sutton (Clark Tournament Champs) to the wire before losing with 1 second left.

For the season, the top three scorers were Matt Toedt with 17 points per game, Ray Richards with 10 points per game and Travis Williams with 9 points per game. In addition to Travis Williams, Matt Mulhane and Blaine Toedt, also contributing to the teams efforts and will graduate this spring.

Post season recognition was given to Matt Toedt, a S.W.C.L all-star, Ray Richards the free throw shooting champ from the S.W.C.L. North and Senior Travis Williams will play in the S.W.C.L. senior game.

"Basketball is always fun to play as long as you get to play with your team mates."

The 1998 - 99 Cheerleading seasons brought many changes to the cheering program. Julie Jones stepped down as head coach of the Varsity squad after the football season. Not knowing what to expect, a new coach took the reign. It was such a change in the way of coaching that the girls at first were a very apprehensive group. As the new coach, I've seen this squad build not only in confidence as a team, but also saw 6 seniors prepare for their future.

With the help of Coach Jones, who came back on Thursdays to help in stunts, we were able to put a very competitive squad together. The basketball varsity squad reached new heights this season, not just by learning their stunts, and routines, but by competing in several competitions and winning! They placed first in the "Cheer for Health" at Holy Cross, by having the most original cheer, most spirit, and overall best routine.

This squad of cheerleaders will have the confidence going into the "great big world" and know that no matter what they take on, each of them will succeed. They have learned what "I WANT IT! means ! To all of you, Kim, Nina, Sarah, Kim, Michelle, and Leanne, I wish you all the best.

...Coach Sullivan

"Cheerleading involves a lot of unity and determination. I have only been cheering for 2 years but it has been the best."

The 1999 Baseball Team

This year "The Millbury High School Baseball Team" qualified for the district playoffs for the eighth straight year, with an over all record of 10 - 10. The team was lead by Captain Ray Richards. This year's team had many ups and downs, but stayed competitive in every game.

The seniors, Fran Wheeler, John Wood, P. J. McQuade, Bruce Huson, Nick Strom, Tom Sullivan and Mat Mulhane all contributed to the success of the "99" baseball season. Senior Nick Strom was chosen for the Coaches Choice trophy this year for all of his contributions to the team.

...Coach Dupras

The 1999 M.H.S. softball team finished the season at 11 - 11. To some that may seem to be a mediocre season. This was not the case, at all. This team qualified for district play without one senior player on the team. They won their first game and lost the second in the district playoffs.

Strong pitching by Debbi Mullen and improving defense set the tone for the year. We also got strong performances at bat from Colleen Daley, Sonja Landry, and Mary Horner. This year's success and next year's maturity could mean a great season is ahead in 2000.
